INVITE REQUEST

Your request was successfully sent to our administrators. You will receive an email invitation to join the forum once one of our administrators has handled your request. While we try to be prompt, this can sometimes take more than a day to get back to you.

We welcome all to our community and hope you'll find useful information here as well as opportunities to share your questions and experiences in either carrying our message of recovery or supporting those individuals and organizations who carry our message.

While many of us are used to using and supporting technology, a lot of us "have no clue" around computers and devices.

We range in recovery time and service from a few days to multiple decades.

We range in responsibility from average members to District and Area officers, committee chairs and members, from Intergroup Staff to Trustee – all are welcome and encouraged to share.

Once you submit this form (or send an email to info@tiaa-forum.org, if you prefer), you will receive an invitation from one of our site administrators.

That email will include a link and instructions as to how to select your forum name and get started in our community.
Welcome!

4. TIAA Forum was formed because we wanted to create a trustworthy and safe place for you to share about using technology for accomplishing the primary purpose of A.A. This forum is available by invitation only. Feel free to invite fellow A.A. members.

5. To keep information in TIAA forum current, we've recently started closing topics where there has been no activity for a few months. In general, no information is ever deleted from the forum.

Again, welcome aboard our TIAA Forum community. We look forward to having you contribute to our Topics.

Respectfully,
